G Em C
 If you ever turn, if you ever stop, and ask the question

G Em C
 If you only knew the right question

G Em C
 Take a look around, you're the only one still here

G Em C
 And the lights went out hours ago

D C
 It all started out, so innocent

D C
 Is where we are so wrong?

G D Em C
 Don't cry, I only hurt you once and then you walk away

G D C
 Just try to learn to stay

G Em C
 If you ever go to another place just know I'm trying

G Em C
 To keep what I can together

G Em C
 I'm seeing for a time, I can never fill the empty space that you

G Em C
 Keep inside to be more alone

D C
 It all started out so innocent

D C
 Is where we are so wrong?

G D Em C
 Don't cry, I only hurt you once and then you walk away

G Em C
 Just try to learn to stay

G D Em
 Don't cry, I only hurt you once and then you walk away

G D C
 Just try to learn to stay

G D Em C
 Don't cry, I only hurt you once and then you walk away

G D C
 Just try to learn to stay

D C
 I know the clouds are coming (but it's not enough to tell)

D C
 The way the sunlight's burning (it brings another day)

D C
 Don't go (don't go) no matter what I say

Solo

Base: G Em C

G D Em C
 Don't cry, I only hurt you once and then you walk away

G D C
 Just try to learn to stay

G D Em C
 Don't cry, I only hurt you once and then you walk away

G D C
 Just try to learn to stay

G D Em C
 I wanted to see you just one last time before your flight

G D Em C
 I wanted to be your fuse on the fourth of July

G D Em C
 I wanted to see you just one last time before you go

G D Em C
 I wanted to only, let you know
