

No Doubt - Just a Girl

Tom: **A**

(G. Stefani, T. Dumont)

Take this pink ribbon off my eyes
I'm exposed
And it's no big surprise
Don't you think I know
Exactly where I stand
This world is forcing me
To hold your hand

'Cause I'm just a girl, little ol' me
Don't let me out of your sight
I'm just a girl, all pretty and petite
So don't let me have any rights
Oh... I've had it up to here!

The moment that I step outside
So many reasons
For me to run and hide
I can't do the little things
I hold so dear
'Cause it's all those little things
That I fear

'Cause I'm just a girl,
I'd rather not be
'Cause they won't let me drive
Late at night
I'm just a girl,
Guess I'm some kind of freak
'Cause they all sit and stare
With their eyes
I'm just a girl,
Take a good look at me
Just your typical prototype
Oh... I've had it up to here!
Oh... am I making myself clear?

I'm just a girl
I'm just a girl in the world...
That's all that you'll let me be!

I'm just a girl, living in captivity
Your rule of thumb
Makes me worry some
I'm just a girl, what's my destiny?
What I've succumbed to
Is making me numb
I'm just a girl, my apologies
What I've become is so burdensome
I'm just a girl, lucky me
Twiddle-dum there's no comparison

Oh... I've had it up to!
Oh... I've had it up to!
Oh... I've had it up to here

Main Riff

PM PM PM= Palm Mute

Chorus

B A G A G C

Synth. Solo

I've supplied all of the parts. You just have to piece them all together.
If you are familiar with the song and parts, it should be easy. I didn't write down any other synth. parts other than the solo.
