

No Doubt - Just a Girl

Tom: **A**

(G. Stefani, T. Dumont)

Take this pink ribbon off my eyes
 I'm exposed
 And it's no big surprise
 Don't you think I know
 Exactly where I stand
 This world is forcing me
 To hold your hand

'Cause I'm just a girl, little ol' me
 Don't let me out of your sight
 I'm just a girl, all pretty and petite
 So don't let me have any rights
 Oh... I've had it up to here!

The moment that I step outside
 So many reasons
 For me to run and hide
 I can't do the little things
 I hold so dear
 'Cause it's all those little things
 That I fear

'Cause I'm just a girl,
 I'd rather not be
 'Cause they won't let me drive
 Late at night
 I'm just a girl,
 Guess I'm some kind of freak
 'Cause they all sit and stare
 With their eyes
 I'm just a girl,
 Take a good look at me
 Just your typical prototype
 Oh... I've had it up to here!
 Oh... am I making myself clear?

I'm just a girl
 I'm just a girl in the world...
 That's all that you'll let me be!

I'm just a girl, living in captivity
 Your rule of thumb
 Makes me worry some
 I'm just a girl, what's my destiny?
 What I've succumbed to
 Is making me numb
 I'm just a girl, my apologies
 What I've become is so burdensome
 I'm just a girl, lucky me
 Twiddle-dum there's no comparison

Oh... I've had it up to!
 Oh... I've had it up to!
 Oh... I've had it up to here

Main Riff

PM PM PM= Palm Mute

Chorus

B A G A G C

Synth. Solo

I've supplied all of the parts. You just have to piece them all together.
 If you are familiar with the song and parts, it should be easy. I didn't write down any other synth. parts other than the solo.
