Tom: **G**

LET'S GET BACK
 (G. Stefani, E. Stefani, T. Kanal, T. Dumont)
 Transcribed by Bill Zang
 Intro: (And used before Trumpet solo)

Chords for Main Riff (Listen to song for rhythm)

Chords for Chorus (Listen to song for rhythm...pattern changes)

Riff for "Everytime I think about...."

Chords for cool guitar part after middle chorus. (Listen for

rhythm)

During Trumpet Solo

Guitar Solo (= bend)

Chords for "Don't you think I can see..."

I got most of this from watching a tape of a live show. I have noticed that the actual recording on the CD is a little different. Tom uses a bunch of effects on the CD....close enough :)
