

No One Spoke - Blue Way

tom:
 Dm
 The streets are empty, the wind is blowing Gm.
 Carrying my lonely thoughts away F C
 Dm C
 My feet are trembling on the heavy ground Gm
 Trying to accomplish F C
 The tasks I have to do Gm Bb
 I stare at the mask but F Bb
 It's hard to put it on my face
 I try to smile but F C
 It's all fading away
 Dm C
 I'm falling 'till the end of times Gm Bb
 The darkness I embrace Dm C
 With a heavy heart Dm C

Hoping to survive for you Gm Bb
 To guide you, to sustain you Dm C Dm
 So you can walk alone through your way
 Dm C
 The blue way carelessly embraces you Gm F C
 Even if I try to keep it away Dm
 I've learned the hard way C
 That life can't be controlled Gm
 But it will guide and conduct you F C
 I'll pray for you to be safe Gm Bb F Bb
 Just sing to me and words
 Will flow through you soul
 The sweetest way to show F C
 That finally you're home
