

# No One Spoke - Fear Of Regret

tom: Abm

Ebm  
Just like the poet wrote

Dbm B Gb  
In lines of love and words of tears

Ebm  
A sad story always known

B Gb  
Coming to haunt my dreams again

Ebm  
I wanna know the end

B  
I want to bring light to this shadow

Abm  
The more I try to forget

E  
The more I feel the pain

Dbm Gb Abm  
The more I fear regret

Abm  
Doubts and thoughts

E Dbm  
Flowing through drops of ink

Abm  
Enlightened by candles flames

E  
A distorted image of

Dbm  
what the future can be

Abm  
When hope and lost collide

G Abm  
A point of hesitation

Brings down the built fortress

E  
Collapse of the bravery

Dbm Abm  
Once held in the chest

Abm  
Travelling through time

E Dbm  
Concepts fading

Abm  
Minds are flowing

E Dbm Abm  
Breaking all the rules

## Acordes
