

No Use For A Name - Dumb Reminders

tom:

Intro: D B A G

I heard the message

Then i rang it off the hook

I didn't get you till 1 am

Who was wrong and who was right

And this distance caused a fight

Now i'm ready to give in

Honestly

I'd give anything

To be with you

Right now

This town is full of dumb reminders

Having a good time can't you tell

Hang up the phone and then i come back down

Miss you i hope you're doing well

I'm used to waiting

What's a voice without a face

I think i'm dying without you here

So i drink myself to sleep

And then i hide beneath the sheet

And i try to disappear

I get up

Every single time

Cuz you keep me

Alive

This town is full of dumb reminders

How far ahead from you in miles

If i could get one time as take it down

Maybe then i could see you

This town is full of dumb reminders

Having a good time can't you tell

Hang up the phone and then i come back down

Miss you i hope you're doing

Miss you i hope you're doing

Miss you i hope you're doing well
