C 'Til my final tune is sung G
G D Em That all is fleeting
D G Yeah, but all is good
G D Em And my love is my whole being
D G And I've shared what I could
C But if you give a little love, you can get a little love of your own Em D
C Don't break his heart
C Yeah if you give a little love, you can get a little love of your own Em D
C Don't break his heart
C Well my heart is bigger than the earth G
C And though life is what gave it love first G
C Life is not all that it's worth
G D Em 'Cause life is fleeting
D G Yeah, but I love you

G D Em And my love surrounds you like an ether
D Em In everything that you do
C But if you give a little love, you can get a little love of your own Em D
C Don't break his heart
C Yeah if you give a little love, you can get a little love of your own Em D
C Don't break his heart
C Yeah if you give a little love, you can get a little love of your own Em D
C Don't break his heart
C Yeah if you give a little love, you can get a little love of your own Em D
C Don't break his heart
Em Well if you are (what you love)
C And you do (what you love)
G D I will always be the sun and moon to you
Em And if you share (with your heart)
C Yeah, you give (with your heart)
G D What you share with the world is what it keeps of you
(Em C G D)(x2)
