

Noah and The Whale - My Door Is Always Open

Tom: Eb

I will only, let you down.
 I will only, let you down.
 But my door, is always open.
 Yeah my door, is always open.

(Eb Eb Ab) (2x)

Well i don't think, that i ever loved you.
 But the world is dieing to meet you.
 Oh black birds they sing off the mountains.
 Joyeous love songs that drift through the houses.

But now i'm free,
 Now i'm free,
 Now i'm free from all your pain.

(interlude 2x) Eb Eb Ab

(chords same as first verse)
 Oh well church bells, they are ringing for you.
 Oh and choirs are singing in red,
 oh your voice could summon the angels,
 and your beauty, could waken the dead.

But now i'm free,
 Now i'm free,
 Now i'm free from all your pain.

(chords same as intro)
 Well you have only let me down
 you have only, let me down
 but my door is always open
 yeah my door is always open.

Yeah i love with my heart and i hold with my hands,
 but you know, my hearts not yours. (4x)

(just strum once the first time you play these chords)

(after he sings something that sounds like, "I'm the dance,
 I'm the dirt, I'm the flowers
 the earth, I'm the leaves
 in the underworld" {does anyone know what he's saying?} the
 chords change to)
