

Noah and The Whale - Waiting For My Chance To Come

Tom: G
Intro: riff:

Well I'm just waiting for my chance to come
 Just a silhouette against the rising sun
 Watch the water, watch the sky
 Count the days as they go by
 I'm just waiting for my chance to come

Well it takes real guts to be alone
 Going head to head with the great unknown
 But there is no sweeter sound, on the king's road I'm bound
 And just waiting for your chance to come

'Cause it's hard to feel like, you're worth something in this life
 When you're walking next to me, I can hear my body speak
 We're just waiting for a chance to come
 We're just waiting for a chance to come
 Intro: RIFF x2

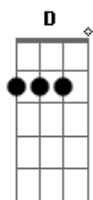

Your immortal smile is burned in me
 When I close my eyes its all I see

Among the canyons and the stars
 You're the guide inside my heart
 I'm just waiting for my chance to come
 And you're just looking for a way outta here
 Yeah, a way to see this old life all disappear
 Take a gamble on your heart, it will lead you through the dark
 You're just waiting for your chance to come

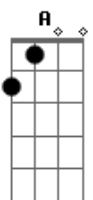

'Cause it's hard to feel like, you're worth something in this life
 When you're walking next to me, I can hear my body speak
 We're just waiting for a chance to come
 We're just waiting for a chance to come

And no one's gonna get in my way
 Gonna figure it out for myself
 Yeah no-one's gonna make me stay
 Gonna figure it out for myself
 'Cause I don't need nothing
 I'm just waiting for a chance to come
 Intro: RIFF x4
 END ON G
