

Noah Cyrus - Lonely

tom:

G

[Primeira Parte]

I'm slowly killing myself
 I'm trying so hard at the back of the shelf
 It's just the same every day
 I'm writing these songs that will never get played
 I get told what's wrong and what's right
 I don't have a romantic life
 And everyone's dying
 So I keep on trying to make them proud before they're gone

[Refrão]

Oh, can't someone help me
 Oh, please someone help me
 I don't care anyone, anything
 'Cause I'm so sick of being so lonely
 Miss all my family
 Oh, I don't care, anyone, anything
 'Cause I'm so sick of being so lonely

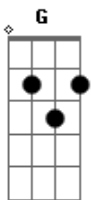

[Segunda Parte]

I'm spending more than I earn
 Drink all the time to forget I'm not her
 'Cause I go to parties sometimes
 And I'll kiss a boy and pretend for the night
 'Cause I don't know much about me
 I'm still ashamed of who I used to be
 So I try way too hard, but I still miss the mark to,
 Fit in, fit in

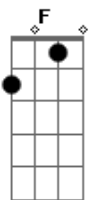

[Refrão]

Help me
 Oh, please someone help me
 I don't care anyone, anything
 'Cause I'm so sick of being so lonely
 I miss all my family
 God, I don't care, anyone, anything
 'Cause I'm so sick of being so lonely
 I don't care, anyone, anything
 'Cause I'm so sick of being so lonely
