

Noah Gundersen - Dying Now

```
Tom: G
Sail on, gypsy of my heart
D Em
You've been hanging around C G
Been with me from the start G G G
Sail on, sail on silver girl
D
Em
You've been spinning me fast
Like a tilt-a-whirl
I've done a lot of living Gb Em
In this town
I've done a lot of flying

D

Em
My feet on the ground C G
You can't build your bridges Gb Em
After you've burned them down
I've done a lot of living

C

G
But I'm dying now
How long, how long should it take \frac{D}{D}
For you to learn your lessons from all your mistakes?

G

C

G

How long until the well runs dry

D

Em
Your bucket's coming up empty
C G
You're wondering why
You've done a lot of living Gb Em
In this town
```

```
You've done a lot of flying
D
Em
Your feet on the ground C
You can't build your bridges
Gb Em
After you burn them down
C G
You've done a lot of living
But you're dying now
(GCGDGCGGbEmCDCG)
Dying now
So long
Everything must go
I can't leave it behind
If I've never really known

G

C

G

So long to "nothing matters now,"

D

Em
Who knows if I stand a chance?
But I'm trying anyhow
Cause I've done a lot of living
In this town
I've done a lot of flying

D

Em
My feet on the ground C
You can't build your bridges

Gb Em
After you burn them down
I've done a lot of living C
But I'm dying now
```
