

NOAHFINNCE - Asthma Attack

tom:
 Capostraste na 1ª casa ^{Db (forma dos acordes no tom de C)}

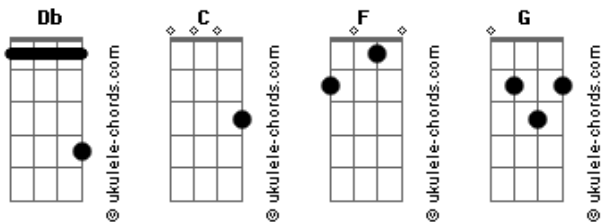

I am the physical embodiment of ^C
 Everything I never wanted to be ^G
 People must think this kid's fucking crazy ^F
 I am the prime example of indecision ^C
 Life hit me like a head on collision ^G
 But what am I supposed to do ^F
 When I'm so see-through?

I had never thought that life would ^C
 Would be like this ^G
 And now I'm thinking that maybe I should (maybe I should) ^F
 Maybe give life a miss ^G
 And if living was the equivalent of breathing ^C
 Then maybe I should (maybe I should) ^F
 Prepare myself for a ^G
 Another asthma attack

Don't ask me all these bloody questions, I'll get arsey ^C
 You think I know myself, well you'd be mostly wrong ^G
 It's taken way too long for me to sing my song ^F

Old me is dead and gone

Acordes

If lying was a crime, then I'd be doing time ^C
 And I don't mean to whine, but just imagine having to lie to ^F
 Friends, foes, all of those people that should matter most ^G
 Living a double life is just as obvious as Pinocchio ^F

I had never thought that life would ^C
 Would be like this ^G
 And now I'm thinking that maybe I should (maybe I should) ^F
 Maybe give life a miss ^G
 And if living was the equivalent of breathing ^C
 Then maybe I should (maybe I should) ^F
 Prepare myself for a ^G
 Another asthma attack

 And now I'm thinking that maybe I should (maybe I should) ^F

 Another asthma attack ^C
