

NOAHFINNCE - Worms (In My Brain)

tom:

Intro: G B C G
 Isn't it funny?
 All kinds of funny
 And i'm so lazy
 Try and hang around and it'll drive you crazy
 And isn't it bad
 That i'm just distracted but i'm still sad
 Can't believe that this is where i'm at

[Primeira Parte]

Cm
 Isn't it crazy that i'm still sad
 N.c.
 Despite the love and all the care and the friends i have
 Cm
 Isn't it crazy that i'm still sad?
 Cm
 Isn't it crazy what squirms inside
 Those motherfuckers get stronger with pesticide
 Cm
 Isn't it crazy what squirms inside?

[Refrão]

I think it's driving me insane
 The worms in my brain
 I changed my address
 I changed my own name
 Can't get away
 Get away

The source of my pain
 The worms in my brain
 If i dig them out
 I dig my own grave
 Can't get away
 Get away from them

[Segunda Parte]

I said to the doctor "Take a look at my head"
 Cos it's been ten long years
 Since it's even been checked
 He told me "Come over here"
 Took a look in my ear and said
 "Fuck"
