

Noel Gallagher - Holy Mountain

Tom: G

G
 Dance dance, if you do that dance
G
 I'm gonna let you join my one man band
G
 Be my doll, be my baby doll
G
 Come get to know me like the back of your hand
G
 I like the name hanging out in shade
G
 I like the way you do the push and the shove
G
 You can blow my mind if you're that way inclined
D
 All that I know is that you fell from above

G
 She fell, she fell, right under my spell
C
 Hold up pretty baby c'mon
G
 She danced, she danced, right into my hands
C
 Hold up pretty baby c'mon
G
 Be my butterfly
D
 You were almost shaking me
C
 You rolled me at the top of them all
G
 And if you feel the need
D
 I'll send you God's speed
C
 To me you're hangin' at the break of the dawn

C
 Get out of the doledrums baby, now
G
 You lie, I'll set ya' on fire
C
 Get out of the doledrums baby, now

G
 Do your thang on the beat of the bang
G
 I'll put a melody inside of your head
G
 No need to shout, what you bitchin' about?
G
 I think those things are better left unsaid
G
 She had a look you won't find in a book
G
 And she smiles like 1969
G
 You could blow my mind if you're that way inclined

D
 And I know you're gonna make it mine
C

G
 She fell, she fell, right under my spell
