

Noel Gallagher - The Girl With X-Ray Eyes

Tom: F

Intro: Am Amadd9# Am Amadd9# Am C C E E7

Am E
Tried to hang on to myself
Don't believe in no-one else
Am Bb
And I'm shakin' like a leaf
Am Ab
As I fall into the street
Gm
But the girl with x-ray eyes,
F
She's gonna see through my disguise

Am E
Going nowhere down a hill,
Bb
It's hard to swallow, like the pill
Am
That was twisted on your tongue
Ab
By the seed of the standing still
Gm
There was no-one to be seen,
F
No-one left to hear my scream...

E E7 Am
So she took me by the hand
G F
We followed clues left in the sand
C
As she swallowed space and time
E
We gathered, pulled, and swam
E7 Am
She shot me to the sun,
G F

Like a bullet from the gun...

C
When the deed was done,
E E7
In the morning she was gone

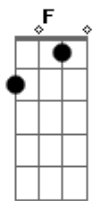

Interludio: Am Amadd9# Am Amadd9# Am C C E E7

Solo-base: Am E Bb Am Ab Gm F

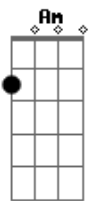

Am E
Turn the page and let it go
Bb
Like your mother told you so
Am
Life, it stretches on for miles
Ab
The truth is on your stereo
Gm
The girl with x-ray eyes
F
She's gonna see through your disguise

E E7 Am
So she took me by the hand
G F
We followed clues left in the sand
C
As she swallowed space and time
E
We gathered, pulled, and swam
E7 Am
She shot me to the sun,
G F
Like a bullet from the gun...
C
When the deed was done,
E E7
In the morning she was gone
