

Noel Gallagher's High Flying Birds - Black And White Sunshine

Tom: B

(com acordes na forma de G)

Capostrate na 4ª casa

Intro: Em / G A

Here in the jungle
 I can't get a break for love nor money
 The weight of the world
 Is dragging me down down down

The heat in the bubble
 She's coming down on everybody
 You better get up
 Before the sun goes down

Instru: Am / B / D / E

I get to slip my skin
 when my ship came in
 What a day now!
 I feel as right as rain
 But I forgot your name
 Qu'est ce que c'est now?
 These are the glory days
 For the waifs and the strays

You give me love
 I give you thanks and praise

All the way now
 What a day now
 Don't let me throw it away

You got the nerve, I got the brains
 We got them crawling up and down
 On their hands and their knees

Instru: Em / G A (4 times)

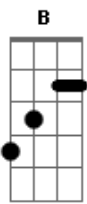

She is my witness
 My baby say you'll do
 the shake for money
 When the weight of the world
 Is dragging you down, down, down
 Near in the distance
 I see you stumble when the road is rocky
 You better get up
 before the sun goes down

Instru: Am / B / D / E (2 times)

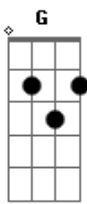

(repeat , ,)

Instru: Em / G A (4 times)
