Tom: **D**
Intro: **A** / **D** **A** / **D** **A** **D** **A** **D** **Gbm**

A
Here am I,
I'm high up on a ledge
I'm stading on the edge **Gbm**
Bm **A**
I'm hiding alone in some town
Where love has been and gone
I'm waiting for the storm to come back **Gbm** **Bm**
A
And take me down
The things I left unsaid **Gbm**
were lying on a bed **Bm** **A**
Right next to the face you wore
When you left me on my one **Gbm**
Now I'm up here on my own **Bm**
And I must say

D **A**
I didn't come here to make up your mind
D **Gbm**
But I do believe that you were wasting my time **A**

There's no more tears left to cry myself blind
Gbm **Bm**
If love is the law then this is a crime
A
Memories,
forever set in stone
When all is said and done **Gbm**
They're just like the falling leaves **Bm** **A**
That you gather in your head
When the sun's about to set **Gbm**
Bm **A**
I sail out on stormy seas
But I cannot find the shore **Gbm**
Can't hear you anymore **Bm** **A**
And there's nothing left for me
I'm lying broken on the glass
And this ship's about to crash **Gbm**
Bm
And I must say

A
