

Noel Rosa - As Pastorinhas

Tom: G

(De: Noel Rosa e João de Barro)

Intr.: (C Cm G E7 A7 D7 Gm)

A estrela d'alva, no céu desponta
 E a lua anda tonta, com tamanho esplendor
 E as pastorinhas, pra consolo da lua
 Vão cantando na rua, lindos versos de amor

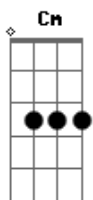

Linda pastora, Morena, da cor de Mada.....le....na
 Tu não tens pena de mim
 Que vivo louco com esse seu olhar

Linda criança, tu não me saís da lembrança
 Meu coração não se can....sa
 De sempre e sempre te amar

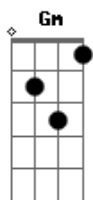

A estrela d'alva, no céu desponta
 E a lua anda tonta, com tamanho esplendor
 E as pastorinhas, pra consolo da lua
 Vão cantando na rua, lindos versos de amor
