

Noel Rosa - Com mulher não quero mais nada

Tom: G

(De: Noel Rosa e Silvio Pinto)

Intr.: (Ab B D B7 E7 A7 D) 2 vezes

Com mulher não quero mais nada

Minha sina está traçada

Neste mundo que me causa horror

O que me faz ficar doente

É mulher na minha frente, a fazer enredos de amor

A7 D D D

Com mulher não quero mais nada

Minha sina está traçada

Neste mundo que me causa horror

O que me faz ficar doente

É mulher na minha frente, a fazer enredos de amor

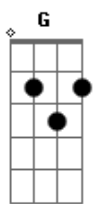

Eu tenho fama de filósofo amador

Quem diz que ama, nunca sabe o que é o amor

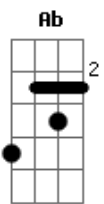

Amar jurando nunca foi jurar amando

É por isso que eu juro que o amor não dá futuro!
