

Noel Rosa - Habeas Corpus

Tom: A

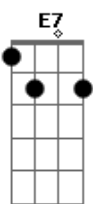

No tribunal da minha consciência
 O teu crime não tem apelação
 Debalde, tua alegas inocência
 Mas não terás minha absolvição
 Os autos do processo da agonia
 Que me causaste em troca ao bem que fiz
 Correram lá naquela pretoria
 B7 E7 A

Na qual o coração foi o juiz
 Tua tens as agravantes da surpresa
 Também as da premeditação
 Mas na minh'alma tu não ficas presa
 Porque o teu caso é caso de expulsão
 Tu vais ser deportada do meu peito
 Porque teu crime encheu-me de pavor
 Talvez o Habeas-corporus da saudade
 Consinta o teu regresso ao meu amor
