now we're the ones a hundred times fuckeder

G Bm  
we get what we fucking deserve  
bringing raised fists to a knife fight  
G Bm  
you'd think developed minds could learn  
not to give benefit of doubt  
G Em  
you wouldn't trust a hungry animal  
around your newborn, would you?  
after ".your new born would you???" this bit is played then  
back into the intro riff  
Intro: x2  
After first verse one guitar plays the intro, second guitar  
plays this twice:
