

# Nofx - 13 Stiches

tom:  
G

[Primeira Parte]

The first time i saw the descendents  
 They were the fastest band i'd ever seen  
 No one in the crowd really cared for them  
 We were waiting for The Ally Cats to play  
 After a couple months i heard Kabuki Girl  
 On Rodney On The Roq late sunday night  
 That was enough for me  
 I hopped the bus to Licorice Pizza and baught my all time  
 favorite record

[Segunda Parte]

The next time i went to the whiskey  
 It was DOA with Millions of Dead Cops  
 The latter band played faster than i could believe  
 But the songs sounded the same and kinda sucked

Cept John Wayne was a Nazi, and Joey Shithead was a drunk  
 Then John Macias beat some hippie to a pulp  
 Cuz having long hair was a mistake

[Solo]

[Terceira Parte]

The third time i went to the hospital  
 I needed 13 stitches in my head  
 I managed to catch about 6 songs of Ill Repute  
 Then some suicidal threw me into a post  
 My girlfriend started to cry cuz we had to leave  
 Before DRI played 50 lousy songs  
 My blood stained shirt smelled of clove cigarettes  
 But it sure looked pretty cool after a wash
