gtr.2

now both gtrs play gt.1's stuff together

verse 2

ska part....

C (with gt2 fill)  
Guess what, this might come as a surprise  
D Fii  
I'll no longer roll my eyes  
C (fill again)  
A change of heart to let the conscience breath  
D Fii  
One quick twist, just 180 degrees

guitar 2 does the chords. while gtr 1 plays a few notes that i didnt bother to tab out..

both gtrs

"it's so easy to defend the Status Quo, with everyone so cool and cynical"

C G D Fii  
Yeah, I now know the right thing to do  
C G D Fii  
Yeah, anti tradition tried and true  
C G D Fii  
Yeah, a world where wrong has right of way  
C G Fii  
Yeah, fuck that world, fuck that heirarchy

outro...

"But when you see the end don't justify the means, It's just that 180 degrees"

"Go ahead, work, waste your life away, Fuck that world, go fuck that right away"

throw this on to the end of the last measure. its the bulid up to the "fast" part.
