

Nofx - Bob

Tom: C

C
He spent 15 years getting loaded

F
15 years till his liver exploded,

C
Now what's Bob gonna do,

F
Now that he can't drink?

The doctor said,

C
what you been thinkin' about?

F
Bob said thats the point,

C **F**
I wont think about nothing, now i gotta do something else

Oi, Oi, Oi

C
To pass the time bob shaved his head

F
He got a new identity

C
62 holed air cushioned boots

F
And a girl who ride a scooter to take him

Out Of town They would get away

Riding around, as the truckers drive by you could hear the
mother fuckers go
(riff 1)

Trumpet solo with riff 1 4x

C
A couple lines, an extra thermos of Joe

F
He'll be kicking in heads at the Punk Rock show

C
Bob's the kinda guy he knows just what

E **F**
Bob's the kinda guy he knows just what to do

When the Doctor tells him to

C **Bb** **F**
Quit your drinking, now's the time

G **C**
Will he ever walk the line?

Bb **F**
To all my friends I feel just great

G **C**
Will he ever walk the line?

Bb **F**
Kicking ass and busting heads

G
Red suspenders

C **Bb** **F**
Once a day he shaved his head

G
But will he ever walk the line

C **Bb** **F**
Will he ever walk the line

G
Will he ever walk the line

C **Bb** **F**
Will he ever walk the line

G
Oh will he ever walk line

riff 1 2x
Shoobee do wop bop doobie...

Acordes
