

Nofx - Breath Of Least Resistance Intro

Tom: **F**

Tabbed by: señor patrick

Email:P

This is the intro to this amazing song that is somehow on the PS2 version of DDR. Don't

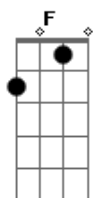

how the hell that happened. Can be played on low **E** or on a string. Don't matter.

Tuning:EADGBE

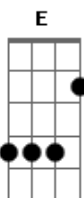

So after the notes are played they play power chords and so I am lazy to play that part those notes as bass notes in the power for example:

That's all for now. I will work on the rest of the tab later
