

# Nofx - Drop the World

Tom: A

A

He won the race, the judges concluded Gb

He was the better man

B E

He had the will to win

A G A

Aahhhh...

A

A hesitate

Gb

A one time show and place

Himself would not allow

D E

He had to be the best

A G A

Ahh

Gb

He had denied

D

His urges 'cause they would have drained his strength E

A G Gb

That battle had been won with side effects a few

E A

He may have dropped the world

Gb

He would not let us down

D E

Away I hope she's in a better place

A G A

Ahhh...

She aced the test

A grade above the rest

She felt the curve

A 93%

Was not enough to feed her fix

She needs that perfect score, endorphin rush she loves

It would opiate her

Ahhhhh

She had denied

All allegations of her loneliness

That battle had been won with scars still under wraps

She may have dropped the world

She would not let us down

Endorphin rush she loved

She may have dropped the world
