

# Nofx - Drop the World

Tom: A

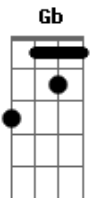

He won the race, the judges concluded <sup>A</sup>  
 He was the better man <sup>Gb</sup>  
 He had the will to win <sup>B E</sup>  
 Aahhhh... <sup>A G A</sup>  
 A hesitate <sup>A</sup>  
 A one time show and place <sup>Gb</sup>  
 Himself would not allow <sup>D E</sup>  
 He had to be the best <sup>A G A</sup>  
 Ahh <sup>Gb</sup>  
 He had denied <sup>D</sup>  
 His urges 'cause they would have drained his strength <sup>E</sup>  
 That battle had been won with side effects a few <sup>A G Gb</sup>

He may have dropped the world <sup>E A</sup>  
 He would not let us down <sup>Gb</sup>  
 Away I hope she's in a better place <sup>D E</sup>  
 Ahhh... <sup>A G A</sup>  
 She aced the test  
 A grade above the rest  
 She felt the curve <sup>A</sup>  
 93%  
 Was not enough to feed her fix  
 She needs that perfect score, endorphin rush she loves  
 It would opiate her  
 Ahhhhh  
 She had denied  
 All allegations of her loneliness  
 That battle had been won with scars still under wraps  
 She may have dropped the world  
 She would not let us down  
 Endorphin rush she loved  
 She may have dropped the world
