Tom: C
Intro: and first part
(all chords are syncopated)

F
Gm
Am

The white man call himself civilized
Cause he know how to take over
The white man come to pillage my village
Now he tell me I have to bend over

No I do not like: the white man offend me

He rape all my people as he rape my country
Everything I love and cherish he try to take away
We will be rid of him, soon come the day
