

# Nofx - Moron Brothers

Tom: A  
 Intro: C, D-C  
           C, F, D, Fii  
 C          G          F          G  
 talking bout the moron bros, tatood fingers tattooed toes  
 Riff:

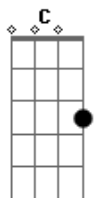

C, Fii-Eii-D, D, Fii-Eii-D, Fii-Eii-D, C  
 C          F  
 they're idiots they're losers they're scum  
 C          Eii D C F  
 taking advantage of everyone  
 (same chords)  
 your a dog they're your fleas  
 doin everything they can to spread disease  
 Riff  
 take you beer take your drugs  
 leave with you microscopic bugs  
 their company's something you won't miss  
 when your icetrays are filled with piss  
 Riff

C          G          F          G  
 they are the moron brothers don't get along with others  
 C          G  
 they'll whine they'll bitch  
 F  
 they'll fuck you if you're rich  
 (same chords)  
 they'll leach they'll latch  
 they are the itch you can't scratch  
 doo doo doo do do do do...  
 C          F  
 they'll ink your face tape your eyes closed  
 D          Fii  
 tobasco's in your mouth there's mustard up your nose  
 when your head is shaved you'll think the worst has passed  
 just try to move your leg they put you in a cast yeah  
 C-C, B-B, A, F, G  
 they are the moron brothers, don't get along with others  
 they may not go down in history, they'll go down on your  
 sister...
