

Nofx - My Orphan Year

Intro: ^A tom:

^B The night before she left me
^D I drank scotch all night
^{A E Gb} And thanked her for everything she'd done
^{B D} Raising me alone wasn't much fun

[Terceira Parte]

^A So Dad I can forgive you,
^E But I'll never forget,
^{B D} Months I wouldn't see you and when I did You'd be
^A out with your friends all night
^E Alone and only nine
^B I watched the outer limits

While scared out of my mind

^{A E} I wonder if you felt the same The days before you died
^{Gb} I wonder if you even knew Why I wouldn't come around
^{Bm} I bet if you had been there, There wouldn't be this song

[Final]

^{A E} 2006
^{Gb} goodbye parents
^D For once sincere
^A 2006 my orphan year

[Primeira Parte]

^A My father had dementia
^{Db} He lied in bed for months
^{Gb} Once in a while he'd call me
^{Dm} And ask me to fly down
^B I told him that I'd love to
^D But I had things to do
^{A E Gb} And so he died without his son
^{B D} I heard about it drunk after a show

[Segunda Parte]

^A My mother battled cancer
^{Db} For over seven years
^{Gb} I nursed her and I held her
^{Dm} When time was running out
