

Nofx - Regaining Unconsciousness

tom:

Intro:

[Primeira Parte]

^A First they put away the dealers ^G
^D Keep our kids safe and off the street ^A
^A Then they put away the prostitutes ^G
^D Keep married men cloistered at home ^A

^A Then they shoed away the bums ^E
^B Then they beat and bashed the queers
^D Turned away asylum-seekers, fed us suspicions and fears ^A
^A We didn't raise our voice, we didn't make a fuss ^E
^B It's funny there was no one left to notice ^D

when they came for us

[Interlúdio 1]

[Segunda Parte]

^A Looks like witches are in season ^G
^D You better fly your flag and be aware ^A
^A Of anyone who might fit the description ^G
^D Diversity is now our biggest fear ^A

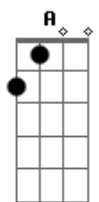

^A Now with our conversations tapped ^E
^B And our differences exposed
^D How ya supposed to love your neighbor with our minds
^A And curtains closed?
^E We used to worry 'bout big brother
^B Now we got a big father and an even bigger mother ^D

[Interlúdio 2]

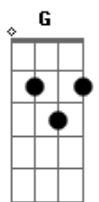

[Terceira Parte]

^A And you still believe this aristocracy gives a fuck about you ^E ^B ^D
^A They put the mock in democracy and you swallowed every hook ^E ^B ^D
^A The sad truth is you'd rather follow the school into the net ^E ^D
^A 'Cause swimming alone at sea ^E
^B Is not the kind of freedom that you actually want ^D
^A So go back to your crib and suck on a tit ^E
^B Go bask in the warmth of your diaper, you're sitting in ^D ^F
^A Shit and piss while sucking a giant pacifier ^E ^B
^D A country of adult infants ^F ^A
^E A legion of mental midgets, a country of adult infants ^D ^F ^A
^E A country of adult infants, all regaining their ^{Gb} ^D ^F ^A
 unconsciousness
