

Nofx - Regaining Unconsciousness

tom:

Intro:

[Primeira Parte]

^A First they put away the dealers
^D Keep our kids safe and off the street
^A Then they put away the prostitutes
^D Keep married men cloistered at home

^A Then they shoed away the bums
^B Then they beat and bashed the queers
^D Turned away asylum-seekers, fed us suspicions and fears
^A We didn't raise our voice, we didn't make a fuss
^B It's funny there was no one left to notice

when they came for us

[Interlúdio 1]

[Segunda Parte]

^A Looks like witches are in season
^D You better fly your flag and be aware
^A Of anyone who might fit the description
^D Diversity is now our biggest fear

^A Now with our conversations tapped
^E And our differences exposed
^B How ya supposed to love your neighbor with our minds
^D And curtains closed?
^A We used to worry 'bout big brother
^E Now we got a big father and an even bigger mother

[Interlúdio 2]

[Terceira Parte]

^A And you still believe this aristocracy gives a fuck about you
^E They put the mock in democracy and you swallowed every hook
^B The sad truth is you'd rather follow the school into the net
^D 'Cause swimming alone at sea
^A Is not the kind of freedom that you actually want
^E So go back to your crib and suck on a tit
^B Go bask in the warmth of your diaper, you're sitting in
^F Shit and piss while sucking a giant pacifier
^A A country of adult infants
^D A legion of mental midgets, a country of adult infants
^F A country of adult infants, all regaining their
^A unconsciousness
