

Nofx - The Black And White

Tom: C

Mr. McCarthy killed the light
He didn't wake his lovely wife
He left the key inside the door
Woke on the wrong side of the bed
She can't remember what he said
But she sure knew what he had done

Little choices in a
A little town maybe a
Little man is right to be afraid
Biblic moralization
Identity frustration
Confused man cannot ruin his heart
So he may be fucking her, but he's thinking about him
Catherine McKinnon does exist

She likes to call herself a feminist
A crusader who fights the pain
But what she really hates is sex
Erotic images oppress
And debase women as a whole
Simple solutions create-
d by black and white thinking
Too bad the world don't work that way
Catherine should get busy porkin'
That dolt Andrea Dworkin
I think they need a good hard fuck
So she may be off her back, now she needs to get off ours

A little man sits alone
His sexuality's been carved in stone
He don't love her
And she don't really care
Two victims of the black and white
Outro: Or something like that
