 There's no fun fun fun

[Segunda Parte]

There's no fun with praying on a mat
 There's no fun being covered in black clothes in the desert
 Unless you're Goth and into that
 But not if you're a woman who is treated like dutch headbang

There's no fun for fundamentalist
 There's no fun for the poor capitalist
 There's no fun for Regan in Exorcist
 There's no fun (No Fun!)
 There's no fun (No Fun!)

[Terceira Parte]

There's no fun in a theocracy
 There's no fun unless you have to show some people i.d
 Still then you got that God decree
 And that's no fun for anyone

 There's no fun fun fun
 There's no fun fun fun
 There's no fun fun fun

There's no fun fun fun
 There's no fun fun fun
 There's no fun
