Now I understand

Perhaps they'll listen now.

Perhaps they never will.

E **A**
For they could not love you

D B
But still, your love was true

(LARGA) **E**
And when no hope was left inside

On that starry, starry night

D C B
You took your life as lovers often do --

But I could've told you, Vincent:

This world was never meant

For one as beautiful as you.
