

Noite Ilustrada - Minha Rainha

Tom: C

Um dia você vai pensar direito
 E vai procurar um jeito
 Para me pedir per dão
 É bem melhor, você, pensar agora
 Antes de chegar a hora
 De uma separação
 Eu já derramei um rio de lágrimas
 Muitas vezes chorei minhas mágoas
 Só porque eu, te amo de mais

Olha amor dediquei a voce
 Minha vida inteirinha
 Do meu sonho de amor
 Fiz você a rainha
 E você vem falando em separação, meu amor
 Olha amor antes que seja tarde
 O arrependimento
 Eu não quero ouvir mil desculpas
 Lamento
 Porque tudo que eu fiz
 Foi pra ti ver feliz
