Tom: E

Dbm
You are in pain

E
Take your life, take your life with cocaine

B
But I am who I am

A
so I do what I can, when I can

Dbm

(Dbm)

So fine this day

E
all your problems has gone away

B
but tomorrow, when you wake up

A
all your problems are back to stay

Dbm
Your life, a game

E
turn it up, turn it up with cocaine

B
And everytime that you live is a time when you feel

A
and the only time you heal

Dbm
Tell me what it is

E
and it would never be like this

E
A problem that we have in common

B
baby tell me what it is

A
it probably doesn't mean a piss

Dbm
yeah, rip my heart apart

(Dbm)

Dbm
Now it's too late, too late to live

B
only heaven loves you now

A
so love it back for once, just once

Dbm
Now it's too late, too late to live

B
and my conscience's killing me

A
so am I alive but I am not free

A
and for all of you that can relate to this too

A
and for all of you that can relate to this too

Dbm
White snow, oh I know

E
You're on a place where I just can't go-

B
But I hope you do remember

A
your snow doesn't warm you in december
