Norah Jones - Cold, cold Heart

Tom: A

A
I tried so hard my dear to show that
E7
you're my every dream yet you're afraid
A
each thing I do is just some evil scheme

a memory from your lonesome past keeps us
A7 D
so far apart.

Chorus

G E7
Why can't I free your doubtful mind and
A
melt your cold,cold heart.

2.
Another love before my time made your heart sad and blue
and so my heart is paying now for things I didn't do in anger
unkind words are said that make the
teardrops start why can't I free your doubtful mind and
melt your cold, cold heart.

3.
You'll never know how much it hurts to see you sit and cry
you know you need and want my love yet you're afraid to try
why do you run and hide from life to try it just just ain't
smart
why can't I free your doubtful mind and melt your cold, cold
heart.

4.
There was a time when I believed that you belonged to me
but now I know your heart is shackled to a memory
the more I learn to care for you the more we drift apart
why can't I free your doubtful mind and melt your cold, cold
heart.
