

Norah Jones - Cold, cold Heart

Tom: **A**

A
 I tried so hard my dear to show that
 you're my every dream yet you're afraid
 each thing I do is just some evil scheme
 a memory from your lonesome past keeps us
 so far apart.

Chorus

G E7
 Why can't I free your doubtful mind and
 melt your cold, cold heart.

2.
 Another love before my time made your heart sad and blue
 and so my heart is paying now for things I didn't do in anger
 unkind words are said that make the
 teardrops start why can't I free your doubtful mind and
 melt your cold, cold heart.

3.
 You'll never know how much it hurts to see you sit and cry
 you know you need and want my love yet you're afraid to try
 why do you run and hide from life to try it just just ain't
 smart
 why can't I free your doubtful mind and melt your cold, cold
 heart.

4.
 There was a time when I believed that you belonged to me
 but now I know your heart is shackled to a memory
 the more I learn to care for you the more we drift apart
 why can't I free your doubtful mind and melt your cold, cold
 heart.
