

# Norah Jones - Cold, cold Heart

Tom: A

A  
I tried so hard my dear to show that  
E7  
you're my every dream yet you're afraid  
A  
each thing I do is just some evil scheme  
a memory from your lonesome past keeps us  
A7 D  
so far apart.

Chorus

G E7  
Why can't I free your doubtful mind and  
A  
melt your cold,cold heart.

2.  
Another love before my time made your heart sad and blue  
and so my heart is paying now for things I didn't do in anger  
unkind words are said that make the  
teardrops start why can't I free your doubtful mind and  
melt your cold, cold heart.

3.  
You'll never know how much it hurts to see you sit and cry  
you know you need and want my love yet you're afraid to try  
why do you run and hide from life to try it just just ain't  
smart  
why can't I free your doubtful mind and melt your cold, cold  
heart.

4.  
There was a time when I believed that you belonged to me  
but now I know your heart is shackled to a memory  
the more I learn to care for you the more we drift apart  
why can't I free your doubtful mind and melt your cold, cold  
heart.
