

Norah Jones - Happy Pills

Tom: C
Intro: C F Dm

Riff: (x2)

C
Trying to pick up the pace
Trying to make it so I never see your face again
C
Time to throw this away
Wanna make sure that you never waste my time again

F C
How do you feel,
Oh, how does it feel to be you right now, dear?
F Am
You broke this apart,
So pick up your piece and go away from here

C F
Please just let me go now?
Dm C
Please just let me go
Would you please just let me go now?
Dm
Please just let me go

C F Dm
(Out of my picture) (4x)

C
Never said we'd be friends

F Dm
Trying to keep myself away from you coz you're bad, bad news
C
With you gone, I'm alone, makes me feel like
F Dm
I took happy pills and time stands still

F C
How does it feel?
Oh how does it feel to be the one shut out
F Am
You broke all the rules,
I won't be a fool for you no more, my dear

C F
Please just let me go now?
Dm C
Please just let me go
Would you please just let me go now?
Dm
Please just let me go

C F Dm
(Out of my picture) (4x)
Please just let me go now
Please just let me go
Please just let me go now
Please just
Pick it out

(Out of my picture) (4x)
Please just let me go now
Please just let me go
Please just let me go now
Please just
Pick it out
