

Norah Jones - Lonestar

```
Tom: C
Lonestar
Where are
C C C
you out tonight
G7
This feeling
I'm trying to fight
G7
It's dark and I think that
I would give anything
     G
for you to shine down on me
How far
you are
C C
I just don't know
The distance
               Am Am Am
```

```
I'm willing to go G7 E7
Pick up a stone and
Am Am
      Am
I cast to the sky
       G
Hoping for some kind of sign
Instrumental (fingerpick on chords)
