

Norah Jones - Not Too Late

```
Tom: C
         Dm
Tell me how you've been,
    Dm C
Tell what you've seen,
F Dm C
                                   Bb
Tell me that you'd like to see me too.
'Cause my heart is full of no blood,
       Dm
My cup is full of no love,
     Dm C
Couldn't take another sip even if I wanted.
         C G
But it's not too late,
       C G Bb
Hum hum hummm
C G Bb F Dm C
Not too late for love.
F Dm C
My lungs are out of air,
```

```
Yours are holding smoke,
F Dm C And it's been like that for so long.
                                    Bb
I've seen people try to change,
     Dm C
And I know it isn't easy,
F Dm
                                    Bb
But nothin' worth the time ever is.
          C G
And it's not too late,
       C G Bb
Hum hum hummm
C G Bb F Dm
It's not too late for love,
F Dm C
For love,
F Dm C
For love,
F Dm C
For love.
