

# Norah Jones - Prettiest thing

Tom: C  
Intro: CMaj7

The prettiest thing CMaj7  
I ever did see B7  
Was lightning from the top of a cloud F Em Dm  
Moving through the dark a million miles an hour G  
With somewhere to be F G  
So why does it seem  
Like a picture  
Hanging up on someone else's wall  
Lately I just haven't been myself at all  
It's heavy on my mind

I'm dreamin' again Am Bb F F F  
Like I've always been Am Bb F F F  
And way down low Am G  
I still know  
The prettiest thing  
I ever did see  
Was dusty as the handle on the door  
Rusty as a nail stuck in the old pine floor  
Looks like home to me  
I'm dreamin' again  
Like I've always been  
And way down low  
I'm thinkin' of the prettiest thing CMaj7 B7 CMaj7 B7 ...
