

Norah Jones - Thinking About You

Tom: Db

Yesterday I saw the sun shinin',
 And the leaves were fallin' down softly,
 My cold hands needed a warm, warm touch,
 And I was thinkin' about you.
 Here I am lookin' for signs to lead me,
 You hold my hand, but do you really need me?
 I guess it's time for me to let you go,
 But I'll be thinkin' about you,
 I'll be thinkin' about you.
