Intro: **G** x4

C The current is strong from what I've heard

C It'll whisk you down the stream

C But I never seem to have the time

C So my toes just touched the water

C My toes just touched the water

I daydreamed on the bank again

I was swimming with the fish
And I thought this time that it may be true

But my toes just touched the water
My toes just touched the water
My toes just touched the water

Eb Walked a mile just to find the edge

C Some place low enough to step right in

Bb Now I'm here and I can't begin to move

Walked a mile just to find the edge
Some place low enough to step right in
Now I'm here and I can't begin to move

The spoiled sun up over there
It always has to have its way
And I know that the river's there to shelter me

My toes just touched the water
My toes just touched the water...
