

# Norah Jones - Were All In This Together

Tom: G  
Intro: G B7 C G  
Em D C

Verso 1:  
G B7 C G  
Well my friends, well I see your face so clearly  
Em D  
Little bit tired, little worn through the years  
G B7 C G  
You sound nervous, you seem alone  
Em D C  
I hardly recognize your voice on the telephone

Verso 2:  
G B7 C G  
In between, I remember

Em D  
Just before we wound up broken down  
G B7 C G  
We'd drive out to the edge of the highway  
Em D C  
Follow that lonesome dead-end roadside south

Refrão:  
G B7 C G  
We're all in this thing together  
Em D  
Walkin' the line between faith and fear  
G B7 C G  
This li-fe don't last forever  
Em D C  
When you cry I taste the salt in your tears
