

# Norah Jones - Youve Ruined Me

Tom: G

Intro: D Am C G D Am C G D Am C G D Am C G

Verso 1:

You've ruined me, now but I liked it, but I'm ruined  
 Do you have a plan? 'Cause I'm in your hands  
 You've ruined me, now though I liked it, now I'm ruined  
 I had no choice when I heard your voice

Refrão:

I know you said can't be misled  
 Now I'm the one whose face is red  
 You've ruined me, now though I liked it, now I'm ruined  
 Your child-lit eyes like buttons of lies

Interlúdio: D Am C G D Am C G

Verso 2:

You've ruined me, now though I liked it, now I'm ruined  
 Do you have a plan? 'Cause I'm in your hands

I'm trying to part with what's in my heart  
 You've ruined me, and how I thought I liked it, but I'm ruined  
 My whole world's now turned upside down

Refrão:

I heard me say I'm going away  
 But now I write you everyday  
 You heard me say I'm going away  
 But I'm on the floor outside your door  
 You've ruined me, now  
 You've ruined me, now

Interlúdio: D Am C G Dm Am Cm G
