Intro: **C Am**

F
Well I've been holding
Holding out for something
Something that means nothing
But that's everything I own
Put me in the country
At the foothill of the mountains
A place to call my home
Leaving nothing on the road
Am G C
We ain't afraid of nothing
Am G C
We got nothing left to lose
Am G F
And when the river comes to your door
Am G C
I just wanna ride with you
Am G C
I just wanna ride with you
F
Stranded in the city
With nothing going down
But I remember when we started
The search of higher ground
Wait until the night time

We'll be dancing in the moonlight
Singing songs about our homes
The ones we left so long ago
Am G C
We ain't afraid of nothing
Am G C
We got nothing left to lose
Am G F
And when the river comes to your door
Am G C
I just wanna ride with you
Am G C
I just wanna ride with you
(**C Am**)
C Am
How long how long

How long till higher ground
C Am
How long how long

How long till higher ground
Am C
How long how long
Am G C
How long till higher ground
Am G C
We ain't afraid of nothing
Am G C
We got nothing left to lose
